AFLV Thanks for coming today! We look forward to next week! Look for the topic poll on Monday. #greekchat -11:58 AM Mar 13th, 2012

collinz @ThetaPrincess30 @ChicagoKristen does your national org require a time after graduation or just the local chapter alumni board? #greekchat -11:58 AM Mar 13th, 2012

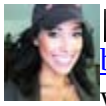
ThetaPrincess30 @bonnye_boutet @ChicagoKristen pay for their lunch. The host school pays for materials. The speakers are local advisors. #greekchat -11:58 AM Mar 13th, 2012

ThetaPrincess30 @bonnye_boutet @ChicagoKristen We fund ours. Central KY has an advisor conference that advisors from 6 schools attend. Advisors #greekchat -11:56 AM Mar 13th, 2012

ThetaPrincess30 @ChicagoKristen @AFLV As Advisory Board Chair, I love young alums on my board, but I do request they have been out for a year #greekchat -11:55 AM Mar 13th, 2012

collinz RT @ChicagoKristen: @AFLV I'd love to know how org's get young alum's to serve in leadership positions after they graduate? #greekchat -11:54 AM Mar 13th, 2012

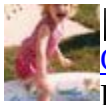
collinz @bonnye_boutet @ThetaPrincess30 @ChicagoKristen Some bring chapters together from regions. Members or the foundation pay. #greekchat -11:54 AM Mar 13th, 2012



bonnye_boutet @ThetaPrincess30 @ChicagoKristen Thanks! Do all orgs fund their own wknd experience? Have colleges ever done this together? #greekchat -11:52 AM Mar 13th, 2012

ChicagoKristen @AFLV I'd love to know how org's get young alum's to serve in leadership positions after they graduate? #greekchat -11:52 AM Mar 13th, 2012

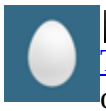
AFLV Ten more minutes for the chat. What else do you have to share? #greekchat -11:50 AM Mar 13th, 2012



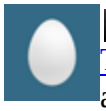
ChicagoKristen @bonnye_boutet Planning is a combination of volunteer officers and HQ. We also brought in the Learning Institute. #greekchat -11:49 AM Mar 13th, 2012

ericaleads lunch break is over. Have a great week everyone! #greekchat -11:49 AM Mar 13th, 2012

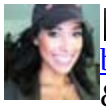
ChicagoKristen @bonnye_boutet Funded by the fraternity.We hold three weekend,every two years.Our regional teams develop curriculum/presentations #greekchat -11:47 AM Mar 13th, 2012



ThetaPrincess30 @ThetaPrincess30 @ChicagoKristen @bonnye_boutet HQ pays for ours. We also have a rep that will come to regions to train advisors #greekchat -11:47 AM Mar 13th, 2012



ThetaPrincess30 @ChicagoKristen @bonnye_boutet I am an AA. My chapter does this and it is a wealth of information. Sorry (new to twitter!) #greekchat -11:44 AM Mar 13th, 2012



bonnye_boutet @ChicagoKristen How is something like this funded? How is curriculum & planning initiated? #goodideas #Greekchat -11:44 AM Mar 13th, 2012

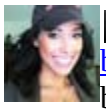
collinz @ericaleads Interesting! I never thought of that working with alumni advisors. Thanks! #greekchat -11:43 AM Mar 13th, 2012

ChicagoKristen @bonnye_boutet This helps them understand the larger issues, and they can meet AA from other chapters #greekchat -11:42 AM Mar 13th, 2012

ericaleads @collinz good 'ol challenge and support! I let them know impact of drama within chapter/community. Then reward on good things. #greekchat -11:41 AM Mar 13th, 2012

ChicagoKristen @bonnye_boutet We invite our AA to regional leadership trainings, with their collegiate counterpart #greekchat -11:41 AM Mar 13th, 2012

AFLV Yes, @bonnye_boutet. Who has a good values-based training or orientation for AAs? #greekchat -11:41 AM Mar 13th, 2012



bonnye_boutet Does anyone have examples or experiences of getting young AA to think big picture and be ritual driven? #Greekchat -11:39 AM Mar 13th, 2012

collinz @ericaleads @bonnye_boutet how do you work with an AA (older or younger) who is getting involved in personal chapter drama? #greekchat -11:36 AM Mar 13th, 2012

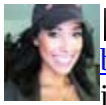
ericaleads Do they have the skills to survive on their own or are they too dependant on you? #greekchat -11:35 AM Mar 13th, 2012

collinz @bonnye_boutet You don't have to know the specifics of the ritual to challenge them. I think asking if something feels off. #greekchat -11:34 AM Mar 13th, 2012

ericaleads I challenge them with: What will chapter look like when you are no longer their advisor? #greekchat -11:34 AM Mar 13th, 2012

ericaleads I see this a lot with older members@collinz: @bonnye_boutet or get involved with personal friendships within the chapter. #greekchat -11:33 AM Mar 13th, 2012

collinz @bonnye_boutet or get involved with personal friendships within the chapter. #greekchat -11:31 AM Mar 13th, 2012



bonnye_boutet @collinz what if AAs are secretive of ritual? how do you challenge their integrity without knowing what the actions are based on? #greekchat -11:31 AM Mar 13th, 2012

collinz A2: As a FSL advisor, I can generally refer to the ritual. AAs are connected in the bonds of fraternity. They can pull specifics #greekchat -11:29 AM Mar 13th, 2012

bonnye_boutet A2: something I often see is young AA getting involved in drama, especially in NPC and IFC AA trying to make it 'how it was'. #greekchat -11:28 AM Mar 13th, 2012

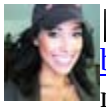
AFLV @collinz, tell us more! #greekchat -11:26 AM Mar 13th, 2012

ericaleads Positive: emotional and financial support, example of GL work after graduation. Neg: not aligning w/ FSL message and values. #greekchat -11:26 AM Mar 13th, 2012

MattDeeg Back to vacation! I'll check the transcript! Have a great week y'all. #greekchat -11:24 AM Mar 13th, 2012

collinz A2: alumni can get to a problem in a way FSL advisors can't. They can also attempt reverse the work FSL advisors do. #greekchat -11:24 AM Mar 13th, 2012

AFLV Q2: How do alumni positively and negatively impact the chapters on your campus? #greekchat -11:22 AM Mar 13th, 2012



bonnye_boutet One of our VPs on the IFC Exec board creates the "Greek Squeak", a newsletter that goes out to university members and alumni #greekchat -11:22 AM Mar 13th, 2012

GinaCarfiFox I think an annual newsletter from the Office of Greek Life to all alumni in the area might be a good way to start communication #greekchat -11:18 AM Mar 13th, 2012

ericaleads @AFLV I am going to share the same data with all so that we can start the convos on the same page #greekchat -11:17 AM Mar 13th, 2012

bonnye_boutet @MattDeeg I think there has to be consistency in FSL and AAs are telling students- esp at a small college. We all need support #Greekchat -11:16 AM Mar 13th, 2012

AFLV How can we build bridges between chapter advisors and alumni and the f/s life staff? #greekchat -11:14 AM Mar 13th, 2012

MattDeeg ...That helping AA's to become better and more focused would free FSL advisors to work on higher ed tasks and less org tasks. #greekchat -11:14 AM Mar 13th, 2012

MattDeeg @bonnye_boutet How much do you feel it is the FSL office's place to support AA's. I like Mike McCree's idea... #greekchat -11:14 AM Mar 13th, 2012

bonnye_boutet @Chris_Shade What can institution-ites learn from the HQ side for training our vols/advisors? #greekchat -11:13 AM Mar 13th, 2012

bonnye_boutet @ericaleads Thanks! But alumni advisors do not show support or seek FSL office assistance. thats something we're working on #Greekchat -11:11 AM Mar 13th, 2012

ericaleads That's awesome. RT @bonnye_boutet: A1: faculty advisors are very involved and seek help of FSL office. #greekchat -11:09 AM Mar 13th, 2012

JenniferKCohen A1: Individual chapter wise they're scratching the surface with social activities #greekchat -11:08 AM Mar 13th, 2012

bonnye_boutet A1: faculty advisors are very involved and seek help of FSL office. #greekchat -11:08 AM Mar 13th, 2012

MattDeeg Hoping to learn getting alumni involved past the advisory board. (And eliminating bad alumni influences) #greekchat -11:06 AM Mar 13th, 2012

ericaleads A1: Multicultural chapter expansion! #greekchat -11:05 AM Mar 13th, 2012

bonnye_boutet @BWGreekLife IFC advisor. Hope to gain new ideas about alumni advisors and training & support POSITIVE alumni involvement #greekchat -11:04 AM Mar 13th, 2012
