AFLV Board Member is Named 2012 NIC Gold Medal Recipient

For the second year in a row, an AFLV board member has been awarded the Gold Medal for their lifetime service to the interfraternal community; this award is the highest honor bestowed by the North-American Interfraternity Conference (NIC). Last year, board member Rick Barnes received the honor.

David Westol, will be presented with a Gold Medal at the NIC's annual meeting in Washington, DC this April. Westol is the founder, owner, and CEO of Limberlost Consulting and a past executive director of his fraternity, Theta Chi. Westol has also served the Fraternity Executives Association and FIPG. Westol has served AFLV as a member of the Board of Directors since its formation, served on the MGCA board prior to that, and has spoken at countless AFLV, AFA, and other fraternal programs and events.

AFLV Executive Director Mark Koepsell stated, "We congratulate Dave; he is more than deserving of this recognition. Dave has dedicated his professional life to the fraternal movement and has always been a stalwart supporter of AFLV and the interfraternal community as a whole."

The Association of Fraternal Leadership & Values exists to stimulate the growth and development of fraternity/sorority council and chapter leaders by promoting leadership, educational, and values based experiences and resources for student leaders, their advisors, and the larger fraternal market.

Founded in 1909, the North-American Interfraternity Conference is the trade association representing 75 international and national men's fraternities. Through advocacy, collaboration, and education the NIC works to ensure that fraternities can operate in an environment conducive to their success.
